PETITIONING THE COURT

☒ [X] To issue a warrant as a detainer

☐ [] To issue a summons

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	The offender has violated the supervision condition which states 'You shall not commit another federal, state, or local crime.'

On March 12, 2009, Anthony Peterson was arrested by the New Brunswick Police Department following an armed bank robbery which ended in a shoot-out with police. Peterson has been charged with attempting to elude police (2C:29-2B), possession of a firearm for an unlawful purpose (2C:39-4A), and criminal attempt to commit murder (2C:5-1A). Peterson is incarcerated at the Middlesex County Jail. Additional bank robbery charges will likely be filed by the FBI.

- 2 **The offender has violated the supervision condition which states 'You shall not associate with any person engaged in criminal activity, and shall not associate with any person convicted of a felony unless granted permission to do so by the probation officer.'**

According to preliminary reports from the arresting officers, at the time the offender was arrested, he was associating with three other individuals, James Phillips, Samuel Dobson, and James Holmes, who have prior felony convictions.

- 3 **The offender has violated the supervision condition which states 'The defendant shall not possess a firearm or destructive device.'**

According to preliminary reports from the arresting officers, following the bank robbery on March 12, 2000, the offender and his co-conspirators became involved in an exchange of gun fire with police.

I declare under penalty of perjury that the foregoing is true and correct.
